Volunteers Needed!

The ladies of the Junior Welfare League of Enid are hosting a 5K run on February 4th. It's called "Warm your Heart" 5k Run.

The ladies are looking for volunteers to help them with various things the day of the race. They have contacted us and asked if anyone is willing to volunteer their time and help with a few things that morning.

If you would rather run instead of volunteer, they are more than happy to let you do that as well!

Please contact Casey if you have any questions and she will put you in contact with the volunteer coordinator of the race.

What Is Kiwanis?

"Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time." This is the defining statement of Kiwanis which ties in closely with the motto, "Serving the Children of the World."

The name "Kiwanis" was coined from an expression in American Indian language of

the Detroit area, *Nunc Kee-wanis*, which means "we trade" or "we have a good time."

But Kee Wanis seeks to conceptualize an idea of making a community its best by starting with the individual. Wilma Mankiller, former chief of the Cherokee Nation, describes the Indian concept as one common to all cultures. She refers to the

concept as "The Good Life."

In one word, the Indians were attempting to say how to accomplish the highest goals for the community. Each person in the community cares about the others. Each person in the community operates by the Golden Rule. Everyone benefits by every effort put forth.

Capital Campaign

As most of you have already heard, the club was very blessed and received a generous donation to fund the entire train engine repairs. AJ & Dane have already take part of the items to be repaired to Chance Manufacturing in Wichita.

The Carousel Building is no longer! The City of Enid began demolition of the carousel building in late January and were removing concrete the last week of the month. The plans are currently being made for the new pad and building.

Keep your eye out at the park to see all the progress!

Builders/Key Club

The Builders and Key Clubs are working on a service project this month. They will be making blankets for the YWCA.

Their meetings are held every two weeks in Mrs. Smith's room at Chisholm, everyone is invited to attend.

The Mid Winter Conference will be held on February 10-11 at the DFW Marriott, Irving, TX.
